|-------------------------------------------------------------------|--------------------|
| ACT 537 PLAN CONTENT AND ENVIRONMENTAL ASSESSMENT CHECKLIST ..... | FRONT OF PLAN      |
| 0.0 EXECUTIVE SUMMARY                                             |                    |
| 1.0 PREVIOUS PLANNING AND LAND USE REGULATION                     |                    |
| 1.1 INTRODUCTION .....                                            | 1-1                |
| 1.2 PREVIOUS WASTEWATER PLANNING .....                            | 1-1                |
| 2.0 PHYSICAL DESCRIPTION OF PLANNING AREA                         |                    |
| 2.1 DESCRIPTION OF THE PLANNING AREA .....                        | 2-1                |
| 2.2 PHYSICAL CHARACTERISTICS .....                                | 2-1                |
| 2.3 SOILS.....                                                    | 2-2                |
| 2.4 GEOLOGIC FEATURES.....                                        | 2-6                |
| 2.5 TOPOGRAPHY .....                                              | 2-8                |
| 2.6 POTABLE WATER SUPPLIES .....                                  | 2-8                |
| 2.7 WETLANDS .....                                                | 2-9                |
| 3.0 EVALUATION OF EXISTING WASTEWATER FACILITIES                  |                    |
| 3.1 EXISTING MUNICIPAL WASTEWATER TREATMENT SYSTEMS .....         | 3-1                |
| 3.2 EXISTING PACKAGE WASTEWATER TREATMENT FACILITIES.....         | 3-6                |
| 3.3 EXISTING INDIVIDUAL ON-LOT SYSTEMS.....                       | 3-6                |
| 3.4 WASTEWATER SLUDGE AND SEPTAGE GENERATION .....                | 3-11               |
| 4.0 FUTURE GROWTH AND DEVELOPMENT                                 |                    |
| 4.1 LAND USE REGULATIONS AND PLANNING.....                        | 4-1                |
| 4.2 GROWTH AREAS IDENTIFIED BY PREVIOUS PLANNING .....            | 4-22               |
| 4.3 EXISTING AND FUTURE GROWTH AREAS .....                        | 4-22               |
| 4.4 GROWTH PROJECTIONS .....                                      | 4-22               |
| 4.5 WASTEWATER FLOW PROJECTIONS .....                             | 4-23               |
| 4.6 SUMMARY OF WASTEWATER PLANNING NEEDS .....                    | 4-25               |
| 5.0 WASTEWATER MANAGEMENT ALTERNATIVES                            |                    |
| 5.1 POTENTIAL WASTEWATER TREATMENT ALTERNATIVES .....             | 5-1                |
| 5.2 NEW COLLECTION AND CONVEYANCE FACILITIES .....                | 5-6                |
| 5.3 UPGRADE OF EXISTING WASTEWATER TREATMENT .....                | 5-8                |
| 5.4 CONTINUED USE OF ON-LOT DISPOSAL SYSTEMS.....                 | 5-10               |
| 5.5 COMMUNITY ON-LOT, SMALL FLOW OR PACKAGE TREATMENT.....        | 5-10               |
| 5.6 SPRAY IRRIGATION SYSTEM .....                                 | 5-11               |
| 5.7 HOLDING TANKS .....                                           | 5-10               |
| 5.8 SEWAGE MANAGEMENT PROGRAMS .....                              | 5-11               |
| 5.9 NON-STRUCTURAL/PLANNING ACTIVITIES .....                      | 5-11               |
| 5.10 NO ACTION ALTERNATIVE .....                                  | 5-11               |
| 5.11 STRUCTURAL ALTERNATIVES FOR UN-SEWERED AREAS.....            | 5-13               |
| 5.12 CONCLUSIONS .....                                            | 5-26               |
