On-Lot Sewer Survey for Act 537 Special Study

(CIRCLE OR FILL IN AS APPROPRIATE; ADD COMMENTS AS NEEDED)

NAME: Mike Loykendall PHONE: (845) 754-4782

EMAIL:

PREFERRED CONTACT METHOD:

SITE ADDRESS: 105 Ave K

TAX PARCEL NO:

1. How many people live in your house? 2 SEASONAL / ALL YEAR?

2. How large is your lot? 50x100

3. Do you have more than one sewage system on your lot? YES or NO
   If yes, explain: drywell for grey water

4. What kind of sewage system do you have? (CIRCLE ALL THAT APPLY)

SEPTIC TANK	INGROUND BED	COMMUNITY SEWER
CESSPOOL	INGROUND TRENCH	PIPE TO DITCH
OLD WELL	ELEVATED SAND MOUND	PIPE TO STREAM
HOLDING TANK	SEEPAGE PIT	PIPE TO SURFACE
PRIVY	BORE HOLE	OTHER _____

5. Where does your laundry and/or sink water go? (CIRCLE ALL THAT APPLY)

SEPTIC TANK	INGROUND BED	COMMUNITY SEWER
CESSPOOL	INGROUND TRENCH	PIPE TO DITCH
OLD WELL	ELEVATED SAND MOUND	PIPE TO STREAM
HOLDING TANK	SEEPAGE PIT	PIPE TO SURFACE
PRIVY	BORE HOLE	OTHER _____
SAME AS SEWAGE SYSTEM		

6. How old is your system? 90 yrs Was it permitted? YES | NO | UNKNOWN (CIRCLE ONE)
   If yes, when?_____

7. Have you ever noticed any of the following near your septic system? (CIRCLE ALL THAT APPLY)

GREEN LUSH GRASS	WETNESS OR SPONGY AREAS
ODORS	WATER PONDING OR SURFACING
SLUGGISH DRAINS	WASTEWATER BACKING INTO THE HOME
SYSTEM OVERFLOW	OTHER_____

Please Turn Over

8. Was your system ever pumped out? YES NO How often?_____ Last time?_____
9. Was your system ever repaired? YES NO When?_____ By permit? YES NO
   What part was repaired or replaced? *TANK* *LINE* *DRAIN FIELD*
10. Would you permit representatives of HRG to visually inspect your system (no digging) at no cost to you? YES NO
11. What kind of water system do you have? WELL SPRING PUBLIC OTHER_____
12. Do you treat your water? YES NO If yes, how?_____
13. If you have a well, is it: DUG DRILLED? How deep?_____ Is it cased? YES NO
14. How far is your well from your drain field? _____ Is it up or down slope? UP DOWN
15. Have you ever had your water tested? YES NO When?_____
16. If yes, what were the values reported for:
    NITRATE _____ ppm
    BACTERIA _____ (MPN)
    OTHER _____
    _____
17. Would you permit your well water to be tested (prior to any treatment you may have in place) at no expense to you? Results will be provided to you upon request. YES NO

SITE ADDRESS: 104 1st St Matamoras PA 18336
TAX PARCEL NO: _____

1. How many people live in your house? 5 SEASONAL / ~~ALL YEAR?~~

2. How large is your lot? 38 x 50

3. Do you have more than one sewage system on your lot? YES or ~~NO~~
   If yes, explain: _____

4. What kind of sewage system do you have? (CIRCLE ALL THAT APPLY)

~~SEPTIC TANK~~	INGROUND BED	COMMUNITY SEWER
CESSPOOL	INGROUND TRENCH	PIPE TO DITCH
OLD WELL	ELEVATED SAND MOUND	PIPE TO STREAM
HOLDING TANK	SEEPAGE PIT	PIPE TO SURFACE
PRIVY	BORE HOLE	OTHER _____

5. Where does your laundry and/or sink water go? (CIRCLE ALL THAT APPLY)

~~SEPTIC TANK~~	INGROUND BED	COMMUNITY SEWER
CESSPOOL	INGROUND TRENCH	PIPE TO DITCH
OLD WELL	ELEVATED SAND MOUND	PIPE TO STREAM
HOLDING TANK	SEEPAGE PIT	PIPE TO SURFACE
PRIVY	BORE HOLE	OTHER _____
SAME AS SEWAGE SYSTEM		

6. How old is your system? 27 Was it permitted? ~~YES~~ | NO | UNKNOWN (CIRCLE ONE)
   If yes, when? _____

7. Have you ever noticed any of the following near your septic system? (CIRCLE ALL THAT APPLY)

GREEN LUSH GRASS ✓	WETNESS OR SPONGY AREAS
ODORS	WATER PONDING OR SURFACING
SLUGGISH DRAINS	WASTEWATER BACKING INTO THE HOME
SYSTEM OVERFLOW	OTHER _____

Please Turn Over

8. Was your system ever pumped out? YES NO How often?_____ Last time? 10 yrs
9. Was your system ever repaired? YES NO When?_____ By permit? YES NO
   What part was repaired or replaced? TANK LINE DRAIN FIELD
10. Would you permit representatives of HRG to visually inspect your system (no digging) at no cost to you? YES NO
11. What kind of water system do you have? WELL SPRING PUBLIC OTHER_____
12. Do you treat your water? YES NO If yes, how?_____
13. If you have a well, is it: DUG DRILLED? How deep?_____ Is it cased? YES NO
14. How far is your well from your drain field? _____ Is it up or down slope? UP DOWN
15. Have you ever had your water tested? YES NO When?_____
16. If yes, what were the values reported for:
    NITRATE _____ ppm
    BACTERIA _____ (MPN)
    OTHER _____
    _____

17. Would you permit your well water to be tested (prior to any treatment you may have in place) at no expense to you? Results will be provided to you upon request. YES NO

TAX PARCEL NO: _____

1. How many people live in your house? 2 SEASONAL / (ALL YEAR?)

2. How large is your lot? 1 1/2 Lots

3. Do you have more than one sewage system on your lot? YES or (NO)
   If yes, explain: _____

4. What kind of sewage system do you have? (CIRCLE ALL THAT APPLY)

(SEPTIC TANK)	INGROUND BED	COMMUNITY SEWER
CESSPOOL	INGROUND TRENCH	PIPE TO DITCH
OLD WELL	ELEVATED SAND MOUND	PIPE TO STREAM
HOLDING TANK	SEEPAGE PIT	PIPE TO SURFACE
PRIVY	BORE HOLE	OTHER _____

5. Where does your laundry and/or sink water go? (CIRCLE ALL THAT APPLY)

(SEPTIC TANK)	INGROUND BED	COMMUNITY SEWER
CESSPOOL	INGROUND TRENCH	PIPE TO DITCH
OLD WELL	ELEVATED SAND MOUND	PIPE TO STREAM
HOLDING TANK	SEEPAGE PIT	PIPE TO SURFACE
PRIVY	BORE HOLE	OTHER _____
SAME AS SEWAGE SYSTEM		

6. How old is your system? 1973 Was it permitted? YES | NO (UNKNOWN) (CIRCLE ONE)
   If yes, when? _____

7. Have you ever noticed any of the following near your septic system? (CIRCLE ALL THAT APPLY)

GREEN LUSH GRASS	WETNESS OR SPONGY AREAS
ODORS	WATER PONDING OR SURFACING
SLUGGISH DRAINS	WASTEWATER BACKING INTO THE HOME
SYSTEM OVERFLOW	OTHER _____

Please Turn Over

8. Was your system ever pumped out? (YES) NO How often? 3 to 5 yrs Last time? 6 mos ago
9. Was your system ever repaired? YES (NO) When?_____ By permit? YES NO
   What part was repaired or replaced? TANK LINE DRAIN FIELD
10. Would you permit representatives of HRG to visually inspect your system (no digging) at no cost to you? YES NO
11. What kind of water system do you have? WELL SPRING (PUBLIC) OTHER_____
12. Do you treat your water? YES (NO) If yes, how?_____
13. If you have a well, is it: DUG DRILLED? How deep?_____ Is it cased? YES NO
14. How far is your well from your drain field? _____ Is it up or down slope? UP DOWN
15. Have you ever had your water tested? YES (NO) When?_____
16. If yes, what were the values reported for:
    NITRATE _____ ppm
    BACTERIA _____ (MPN)
    OTHER _____
    _____
17. Would you permit your well water to be tested (prior to any treatment you may have in place) at no expense to you? Results will be provided to you upon request. YES NO
18. COMMENTS:
    _____
    _____
    _____
    _____
    _____
    _____
19. Please return this survey to HRG in the included return envelope, or scan and email to csalmon@hrg-inc.com, or fax to 570-524-6779. Please be prepared to receive a phone call or email (preferred contact method provided above) from an HRG representative for the scheduling of the visual inspection. Again, the follow-up survey period runs from July XX, 2019 to August XX, 2019

We sincerely thank you for your participation in this important initiative!

AN EMPLOYEE-OWNED COMPANY

Week of November 4th, 2019

Dear Resident,

Herbert, Rowland & Grubic, Inc. (HRG) is conducting visual surveys of on-lot sewage disposal systems on behalf of Westfall Township, Milford Township, Milford Borough, and Matamoras Borough as part of our Act 537 Sewage Facilities Planning effort. The results of the surveys will allow us to identify and correct any current sewage or water supply related problems, as well as facilitate planning for the future. HRG has scheduled these surveys to take place on weekdays from November 4 to November 8, 2019 with potentially more days scheduled if needed.

A representative from HRG stopped by your residence today to complete the sewer survey for your property. This letter represents that you were not home at the time when the representative stopped. Please contact Mr. Matthew Roberts of HRG at your earliest convenience to schedule your preferred survey time. He can be reached at (717) 564-1122 (ext. 3605) weekdays between 8:00 a.m. and 7:00 p.m or by email at mroberts@hrg-inc.com.

The identification of sewage disposal needs is a key component of the Act 537 Sewage Facilities Plan Update being completed by the four municipalities. The Plan, which is required by the Pennsylvania Department of Environmental Protection (DEP), will allow us to determine the need, or absence of need, to improve sewage disposal facilities in the four municipalities.

In order to assist us completion of this Plan, we request that you complete the attached survey questionnaire. The survey will involve an HRG representative visiting residences to:

- Ask a few brief questions about your wastewater disposal methods,
- Visually inspect septic system function, and
- Collect the survey questionnaire that you have completed.

The HRG representative will provide identification upon request. It is not necessary that the HRG representative enter your home to complete the survey. In total, the survey should take no more than 15-20 minutes of your time and will be performed as courteously and as quickly as possible.

Any questions or comments concerning this survey or the Act 537 Sewage Facilities Plan Update may be directed to Mr. Matthew Roberts of HRG.

We greatly appreciate your cooperation and assistance as we work to complete this planning effort.

Sincerely,

Herbert, Rowland & Grubic (HRG)
